

AL PTO General Meeting Notes
October 7, 2020

Introduction

Leslie
Michelle
Catherine
Sarah Clark

Leslie - Budget

She discussed the budget as it stands right now. The next step is to send it over to the parents to confirm how the money should be spent.

Catherine – new PTO website, www.alpto.org

Went over the new look and feel of the PTO website. Will get updated logo so it's the same look and feel as school site.

Alonda – Room Parents

Discussed where we are with room parents. If anyone should be interested, we will connect them with the teacher. Using the PTO site to collect their information. Buzzbook is a good way to collect the parent information.

Sarah – Trash Bag Sales

shared that we have had our biggest sale yet to date with over 1300 sold. Which in turn is 5000 for the school. There will be a second chance sale in Oct/Nov and it will include red bags and leaf bags.

Kelsey – Spirit Wear

Shared that we have a new print vendor for spirit wear. They print on demand and can ship directly to your home.

Michelle - \$10,000 Cash Raffle Update

Shared that we have 25 days left for the sale of the 10,000 raffle tickets. They will amp up more promoting on socials and hopefully on Friday or Monday memos for the students. Also will be adding it to the website. We are also looking to add posters to the community business that we would have sold tickets outside.

Alonda – Uniform Closet

Closing, we need to get the information out that the uniform closet is still available to those in need. Maybe have it added to the newsletter.
