**Evening in Paris** – if any complaints or confusion, you can direct them to Alonda.

- We discussed this with the school and it was a mutual agreement, and regularly announced at past PTO meetings that EIP was moving under the umbrella of the school.
- The school specifically wanted to take ownership of EIP

**Block Party – April 30<sup>th</sup>** Will be announced in the newsletter. All day event: Family activities earlier in the day, with adult only activities in evening.

- Let's be sure to clearly state the goals since this is a new event – like is the stuff early in the day free? Outline what the purpose is – to raise funds, create community ... and what the funds will be used for.
- **“Rendezvous Block Party”** Caroline is ready to start working on graphics
- Planning to use Armour campus – need to determine logistics with the neighbors?

**Need New President** – Alonda will research the Bylaws to find out how we vote etc.; also, any suggestions?

**“Grade-level Reps”** rather than Room Parent at the middle school level. Not tied to a specific teacher.

- We would like to create better equity between all the teachers and staff across all campuses when it comes to monetary gift giving.

**PTO Separate Entity & Venmo account** – Nicole Johnson has offered to help (Sara Clark); Alonda has asked Administration on how to break apart from school. No answer yet.
